Item 7: Email from Chicago Parks Foundation to JPAC

We're expanding our [Wellness Walks](#) program to include La Rabida Children's Hospital at Jackson Park! Here are some of the details:

We have La Rabida pediatric medical providers hosting the walks for us this year. They'll be walking monthly on Saturdays from 10-10:45am, May-September, starting on May 11th.

Once everything is confirmed, I'll send the registration page so you can promote the walks in your emails. We'll also be sharing the registration link with the alderman and local community organizations -- if you have any to recommend, please let me know!

With Demitrice's and your permission, we'll also be printing flyers for the fieldhouse and step-stake signs to include in the park this year.

Additionally, we would love to list Jackson Park Advisory Council as a partner and include your logo on our [website](#). Please let me know if this is okay!

Finally, there's nothing needed of the PAC or Park District once these walks start, but we just want you to be aware of what's happening! Please let me know if you have any questions or concerns!

Excited for the months to come,  
Emily
